

# Building a Blog Around a Single Topic for WordPress.com Beginners

By Winstina Hughes  
<http://planningwrite.com/courses>

# Create your new website for free

WordPress.com is the best place  
for your personal blog or business site.

Create Website

**What one topic could you spend the entire day discussing passionately?**

***How to be successful before you publish...***

**Prepare to write about the endless possibilities.** 

**Select a theme that complements your topic.** 

**Notify your network about your blog.** 

***Invite others to give you honest feedback on your content.***
